Re: 2009-10 Schedules

Attached is a draft of the 2009-10 Adapted CI schedules. Please note that the preferred days for CI games is now Mondays and Wednesdays (Tuesdays and Thursdays for PI).

This decision was made by the MAAA Board because of the shortage of officials. If you decide to move your district's CI games off the Monday/Wednesday schedule, please be advised that officials may not be available.

Timelines for changes

Officials associations have requested that we finalize the schedules earlier. Below are the timelines for changes to be sent back to me.

2009-10 CI Soccer schedule revisions due March 3, 2009 for approval at the March 11 MAAA Board Meeting

2009-10 CI Floor Hockey and 2009-10 CI Softball revisions due May 4th for approval at the May 13 MAAA Board Meeting

Any changes after May 4th need to be sent to the Web Site Manager:
[<webmaster@mnadaptedathletics.com>](mailto:webmaster@mnadaptedathletics.com)

If changes are not made by the due dates, the default times and dates will become official.

As you view the schedules, note that there are three tabs on the bottom of the Excel sheets for the three seasons.
