**Re: 2009-10 Schedules**

The 2009-10 Adapted PI schedule drafts are ready. Please note that the preferred days for PI games is now Tuesdays and Thursdays (Mondays and Wednesdays for CI). This decision was made by the MAAA Board because of the shortage of officials.

If you decide to move your district's PI games off the Tuesday/Thursday schedule, please be advised that officials may not be available due to the limited number of registered officials (especially in the fall and spring). Fridays are also an alternative option for dates where conflicts are present.

If your district has CI & PI teams scheduled on the same round/week at the same home site, CI/PI back-to-back games are encouraged as 1 set of officials can work both games.

AD's must submit/approve all scheduled games via email.

**Timelines for changes:**

Officials associations have requested that we finalize the schedules earlier. Below are the timelines for changes to be sent back to me.

- 2009-10 PI Soccer schedule revisions due March 3, 2009 for approval at the March 11 MAAA Board Meeting
- 2009-10 PI Floor Hockey and 2009-10 PI Softball revisions due May 4th for approval at the May 13 MAAA Board Meeting

If changes are not made by the due dates, the default times (4:30) and dates (Tues/Thurs) will become official.

If you cannot open the linked PDF files, please email me and I will do my best to help.
